

## ARCTIC Tech o con discussion

---

Attending: Bill, Nick, Russell, Russet, Alaina, Alysha, Jack

- Optics quotes-- Barkhouser and Wilson are giving final feedback, then Joe will get final quote from Cosmo.
- Instrument has just arrived at UW.
- ICC -- Leach's computer guy didn't know how to handle our ICC. Couldn't get their software onto our machine. Joe and Fritz will work on installation now that it is at UW.
